

BIDEN/HARRIS BORDER CRIME

Biden and Harris claim they want to fix immigration.

THEY ARE LYING!

- 🌐 The moment Joe sat down in the Oval Office he rescinded Donald Trump's border-protection measures with the stroke of a pen: 94 executive actions in the first 100 days.
- 🌐 He killed Trump's border wall and "Remain in Mexico" policy, stopped deportations and started secretly flying illegal aliens all over the country on charter flights in the middle of the night.
- 🌐 Harris, his border Czar, backed him all the way.
- 🌐 **Americans have paid the price.**
- 🌐 Drugs are flooding the country. Fentanyl kills over 100,000 Americans a year.
- 🌐 Illegals crowd our cities. Every day brings a new horrific crime.
- 🌐 Organized gangs of illegals loot stores with impunity. Our major cities are becoming ghost towns as businesses flee. Biden and Harris have doubled down by pushing mass amnesty for illegals.
- 🌐 **On the same day** Biden and Harris made that announcement, an illegal from Ecuador was arrested for allegedly tying up and raping a little 13-year-old girl in broad daylight in Flushing, Queens. *He also tied up her 13-year-old male school friend and made him watch.* That's NOT some isolated incident. Similar hideous things are happening all over the country every day.
- 🌐 Suspect terrorists have been apprehended in cities all over America.
- 🌐 No one knows how many more are here and undetected. Even Biden's FBI has sounded the alarm regarding the growing threat of terrorist attacks here at home.
